

# Weld Re-9 Re-Opening Checklist

## District Level

- ✓ Adopt emergency resolutions and board policies
- ✓ Resolution to modify the attendance and “engaged learning” definition
- ✓ Transition board meetings to include a virtual format
- ✓ Continually monitor the latest Covid-19 data and information
- ✓ Collaborate with the Weld County Dept. of Public Health
- ✓ Communicate to stakeholders
- ✓ Communicate leave policies and remote work expectations

## Building Level

- ✓ Focus on hygiene for students and staff
- ✓ Increase the disinfecting process to hospital level
- ✓ Protect vulnerable students by offering alternative educational options
- ✓ Protect vulnerable staff by encouraging masks in specific classrooms
- ✓ Deploying individual devices at the HS to limit contact
- ✓ Increase air circulation in all buildings
- ✓ Disable drinking fountains and utilize only bottle fillers
- ✓ Cohort students by grade level and building
- ✓ Modify attendance policies to discourage ill students from attending
- ✓ Train students and staff on expectations and procedures

## Support Services

- ✓ Disinfect buses after each route
- ✓ Encourage masks for all bus drivers and passengers
- ✓ Organize routes and seating to maximize spacing
- ✓ Salads will be pre-packaged rather than a salad bar
- ✓ Encourage social distancing at all times
- ✓ Screen students prior to return from sickness
- ✓ Lower the threshold for sending ill students home
- ✓ Increase monitoring of at risk students
- ✓ Post signage explaining practices and protocols for visitors
